JUBILO JR.

By Hal E. Roach.

Will Rogers a tramp comedian tells a little story of his past life beginning with his boyhood days and during the telling of the story, the scenes as verbally depicted by him roll back to those boyhood days wherein he was a member of OUR GANG. The little escapades -- their boyhood pranks, the days from school when the Ol' Swimmin' Hole invited them appear as the story develops and the narrative ends as it begins with the tramp still harking back to those childhood days.
